

Okanagan and Southern Interior Tree Fruit Blossom & Harvest Schedule

Blooms and Baskets

From blossom time to harvest time Okanagan and Southern Interior orchards provide a healthy, wholesome place for you and your family to visit. Beginning in April, the arrival of millions of breathtaking blossoms marks the beginning of another season of world famous tree fruit. The orchards come alive with a kaleidoscope of colours and the sweet fragrance of spring. Over the summer and autumn, the blossoms give way to a rich variety of tree fruits, ripe and ready for you to enjoy. Look for the dates of the harvest nearest you!

Note that blossom and harvest times may vary from year to year.
